

CORRIGENDUM

Subject: Failure to download the EOI Documents

We would like to acknowledge and address the issue regarding the inability to download the Expression of Interest (EOI) documents from EPADS website since their initial upload on January 30, 2025. A technical error resulted in the documents becoming corrupted, preventing access and successful downloads.

Upon investigation, we identified the root cause and have implemented corrective measures to prevent future occurrences. The documents were successfully uploaded on February 12, 2025, and all necessary verifications have been completed to ensure their integrity and accessibility. Additionally, the submission deadline has been extended to March 03, 2025.

We sincerely apologize for any inconvenience caused and appreciate your patience and cooperation. For further clarification or assistance, please feel free to contact the Purchase Manager.

EOI DOCUMENTS FOR HIRING OF A CONSULTANCY FIRM

Project Names:

1. Construction of Guest Rooms
2. Renovation of various club buildings

Project Location: Islamabad**Date:** 30-01-2025

1. INTRODUCTION

Islamabad Club Invites Expression of Interest (EOI) for prequalification from competent, qualified and well-experienced Consultancy Firms / companies for provision of Services for construction of guest rooms and renovations of different club buildings situated in Islamabad for optimal satisfaction of the club members. The management of Islamabad Club envisions expanding its facilities to provide modern residential, recreational, and sports amenities for its members. We are seeking a consultancy firm to provide services for the inception, design, feasibility, and renovation works of various buildings within Islamabad Club. The expertise and insights of a qualified consultant are crucial for achieving the desired outcomes of a Project and ensuring its successful implementation.

We are committed to fostering a collaborative environment that values innovation and excellence. We are looking for a consultant who not only possesses the necessary skills and knowledge but is also dedicated to working closely with our team, bringing fresh perspectives and innovative solutions to address challenges.

Islamabad Club upholds the highest ethical standards in all its activities. We expect prospective consultants to adhere to these principles, ensuring transparency, integrity, and professionalism throughout the engagement.

All eligible and interested consultants are invited to submit their proposals following the guidelines outlined in this document. We encourage a comprehensive review of the requirements and the submission of documents addressing the scope of work and demonstrating the consultant's capabilities.

This document aligns with PPRA rules and Club regulations and we value the time and effort invested by all prospective bidders in responding to this invitation. We eagerly anticipate receiving your proposals and are confident that, together, we can successfully realize all the projects of the Club.

2. SCOPE OF WORK

Preliminary Design Phase

- a. Discuss the Client's requirements including the time scale and any financial limits, assess these and give general advice on how to proceed.
- b. Obtain from the Client, information on the site, its configuration, any known easements, existing utility lines and underground services, rights of way and any other relevant matter.
- c. Visit the site and carry out initial assessments.
- d. Analyze the Client's requirements, prepare for the Client's approval, outline proposal and Preliminary Cost Estimates; an approximation of the construction cost. The outline proposal will illustrate the size and character of the project in sufficient detail to enable the client to agree the general arrangements and appearance.
- e. Supply all drawings in duplicate to the Client for approval.

Final Design Phase

- a. Complete the final construction drawings based on the preliminary design / outline proposal consisting of:
 - i. Site and location
 - ii. Layout plan
 - iii. Architectural/Interior Design plans, elevations, sections and all necessary details.
 - iv. Structural plans, sections and all necessary details.
 - v. Electric systems
 - vi. HVAC Systems
 - vii. Plumbing Systems/Mechanical Systems
 - viii. Solar System, PA/Sound System Plan, CCTV System, Fire Fighting System
 - ix. Any other drawings necessary for the successful completion of the project.
- b. Complete final specifications setting forth in detail, the work to be done, the materials, finishes and workmanship for architectural modes, structural, mechanical and electrical systems etc.
- c. Supply of drawings in triplicate to the Client.
- d. Preparation of complete tender documents.
- e. After the approval of the design phase but prior to the submission of tender documents Phase, Supply a final "Cost Estimates".
